

Dale the Builder - The man that can!

Where 'no job is too small' means what it says...

Dale the Builder will take on those unfinished DIY and Handyman projects as well as completing more major tasks like that [new bathroom, kitchen or conversion](#)'

[Dale delivers high quality workmanship](#) and personal attention throughout the design and construction process.

You can trust his reputation and professional integrity whatever the task.

Ask Dale to give you a price for any work you need completing and he'll give you a fixed price quotation. You'll know that the price he quotes will be the price you pay. Don't be taken in by a competitor's 'estimate' which may mean you'll end up paying extra.
